

THE HONORABLE DAVID G. ESTUDILLO

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTONAARON WILLIAMS, on behalf of himself and  
all others similarly situated,

Plaintiff,

vs.

PILLPACK LLC,

Defendant.

Case No. 3:19-cv-05282-DGE

**STIPULATED MOTION AND  
ORDER TO EXTEND DEADLINE  
FOR PLAINTIFF TO FILE MOTION  
FOR FINAL APPROVAL****I. MOTION**

Plaintiff Aaron Williams respectfully requests that the Court set the deadline for his motion for final approval as March 18, 2025. Defendant PillPack LLC (“PillPack”) stipulates to this request. In support of this motion, Plaintiff states:

1. This is a certified class action. The Court preliminarily approved the parties’ proposed class settlement and entered a schedule for final approval. Dkt. 342 (“Preliminary Approval Order”).

2. The Preliminary Approval Order provides that “briefs, memoranda, petitions, or affidavits that Class Counsel intends to file in support of final approval shall be filed not later than thirty (30) days after the Opt Out & Objections Deadline. Dkt. 342 at ¶ 13.

3. Subsequently, the Court granted the parties’ stipulated motion to extend certain settlement-related deadlines. *See* Dkt. 345. In doing so, the Court set the deadline for class members to opt out of the class or object to January 20, 2025, and set the final approval hearing for April 18, 2025. *Id.* The hearing date provided nearly three months for the settlement

1 administrator to process all claims and send deficiency letters to claimants who submitted  
 2 deficient claim forms. Under the original Preliminary Approval Order, however, the due date for  
 3 Plaintiff's final approval motion would have been February 19, 2025.

4 4. Re-setting the deadline for Plaintiff to file his final approval motion to March 18,  
 5 2025, will allow Class Counsel to provide the Court with a more complete description of the  
 6 valid claims and deficiency process in the final approval motion.

7 5. With the new deadline, the motion for final approval will be filed and posted to  
 8 the settlement website 30 days before the final fairness hearing, giving both the Court and absent  
 9 class members sufficient time to review the motion. The motion is expected to be unopposed as  
 10 no class members objected to the settlement before the January 20, 2025, deadline.

11 6. Plaintiff will file a short supplement to his final approval motion by April 4, 2025,  
 12 7 days after the settlement administrator's final declaration is due (*see* Dkt. No. 345 at 5), and 14  
 13 days before the final fairness hearing.

14 Accordingly, Plaintiff respectfully requests that the Court set the deadline for filing  
 15 Plaintiff's final approval motion to March 18, 2025.

16 STIPULATED TO AND DATED this 27th day of February, 2025.
